INFINITY

Design Marco Di Properzio, 2018

It is a candle holder inspired by the infinity symbol. Made entirely of marble, it adapts elegantly to any modern or non-modern setting.

Infinity can hold two candles, and is perfect for decorating the table or lighting the atmosphere in every room of the house.

Two variants are available in classic white Carrara marble and elegant black Marquina.

The different veins of the marble make each piece unique.

DIMENSIONS: 16X7,3 CM

DESCRIPTION OF MATERIALS

Candle Holders: Made entirely of marble, in the variants Black Marquina marble and White Carrara marble
